# The Bark Class of 46

Central Hi  
School  
Le Mars, Ia.

### Dedication.

To L. H. S. graduates  
who will not come home  
again we dedicate this Book.  
There are many who went from  
familiar things to places they  
knew only as names in geography  
books.

All over the globe ~ France ~ North  
Africa ~ Italy ~ Germany ~ Okinawa  
Japan ~ they served. Many sacri-  
ficed to earn a peace, a security  
and a freedom they will never  
see. To these men we dedicate  
this book, with hope that  
it represents a part of  
life for which they  
fought and died.

## Senior Class History

Thirteen years at school including kindergarten is a long time. Many things can happen—we! many things did happen to lend an ear, and you underclassmen will learn what's behind the seniors' wisdom, wit and worldly knowledge.

Why back yes I be ave t was 33 to be exact that we todded off on our first journey to school. Our teacher was Miss Mary Baxter. From the 78 of us starting out together only 2 are now in the graduating class of 46. They are Florence Ander and Dick Carey. Mavis Claussen, Lorna Davney, Evelyn Downin, Evelyn Downing, Bill Haas, Dick Hammer, Buster Hart, Dave Hertzes, Bob Ivey, Donald Johnson, Joyce Kramer, Jean Langendorfer, Dorothy Mayer, Jean Nussbaum, George Pavlik, B. Hew, Nanne Rippey, Richard Schultz and Wende Tucker. That year before school let out there was a May Fest va and an oopretta given by the seniors Clark and Centra. We thought you might ke to know some of the cast. (Oh What Characters)

Humpty Dumpty, Richie Schultz; King's Soldier, Raymond Atwood; Pretty Maid, Lorne Deviney.  
May Festival: Flower Girls: Norrie Roppey, Joyce Kramer. Train Bearer: Bobbie Ivey. Rabbit's Dickie Hammer, Dickie Caray, Buttercups: Wendell Tucker, Belle Paw, Donnie Johnson. May's Caussen, Dorothy Mauer, Belle Haas, Davie Hantges, Betty Hart; Sunflower, Evelyn Downing.

In the first grade 34-35 Miss Bernice Laux of Centra and Miss Hester Crosswait of Clark School took the first steps in teaching the new present seniors read and write and arithmetic. The highlight of that year was a joint Christmas program given by both schools.

We were guided through the second grade by Miss Ruth Collins and Miss Arlene Gade. That year the new flood light system on the ~~new~~ ~~old~~ ~~was~~ ~~installed~~ and ~~at~~ ~~our~~ ~~home~~ ~~football~~ ~~games~~ ~~have~~ ~~been~~ ~~played~~ ~~there~~ ~~ever~~ ~~since~~. The operetta "The Magic Book," was given by Clark School and "The Circus Parade" by Central School.

The year '36-37 was marked with several interesting events. For instance, the first prom in the history of LHS was given that year in the high school gym. Way back in the third grade we had the scamps were giving such operettas as Carle School's The Early Bird Catches the Worm and Centra's Christmas With the Old Woman Who Lived in the Shoe. Our teachers that year were Miss Josephine Winslow and Miss Florence Murray.

That year Central gave the splendid operetta, "Punch and Judy," to a large, appreciative audience.

Under the direction of Mrs. Mary Wood and Mrs. Annabe Richards in Clark we as fifth graders passed through the uneventful year of 37-38. However, in senior high the music department ordered new uniforms for the band, our parents bought, and Clark School gave a spring music concert under the direction of the grade school music teacher Miss Hayne.

That year 1839 was a year as indeed for we were a class privileged to one year's education in the two new grade school buildings. Mark and Franklin, our present senior high principals. Mr. Paul Carr was then principal of the Clark grade school and Mr. James Steele who still retains his job was Franklin's principal then. That year Clark School gave the operetta "Far Away Friends."

The camp from sixth grade to seventh is a training for all school students. Under the direction of Gerald Bryan, Junior High principal, we completed a successful year which included the sixth annual variety of the Bark, the first LHS Homecoming, an art exhibit and an Armistice Day pageant, Making America Strong. Our teachers were Mabel Mead, Kathryn Col, Mrs. Blanch Henry and Mary Seymour.

We entered our eighth year of school never thinking that we would have a most four school years of war ahead of us. Mr. Paul Clark became junior high principal that year and Mr. Noble Howe was our eighth grade home room and math teacher. The series of public civic forums was started that year. Quite a few of our class were in the Armistice Day pageant, the Heritage of Freedom and the Junior High operetta "Love Pirates of Hawaii" was also given that year.

Our first year of high school commenced with varied courses school parties and all the other high school activities still permissible in the strained times of the war. Going on the daylight savings time having the air raid drill and working on the rationing board were all a part of our school's wartime program. However, still observing the World War I Armistice we gave the pageant "Free Men" while several of the boys in our room were in the operetta "Ye Old Minstrel Show" given by the Boys' Glee Club.

By the sixth grade we had added the by the following students: Raymond Atwood, Luane Hamblen, Leo Lambert, Edna Clement, Ruth Ewings, Gary L. Hanna, Betty Mueller, Charou Citmann, Harold Webster, Dorothy Taylor, Fern Bink, Gray N., Mike S., Harold Albert, Harold Binnert, Wayne Miller, Mark Ring, Edna Middleton, Calmar, Bob S., K., R., Margard Knuts, Luane Ray, m Scholz, Helen Albert, Ce, A., the X, N., Margu, C., S., Paul W., Margaret B., Betty Full, Vera K., L., F., S., R., F., H., L., and, K., K., K., M., P., B., E., and F. Our teachers that year were Paul Clark, Mrs. Mildred Eyres, Miss Ida M. Pasek and Miss Gwendolyn Thompson.

Tenth grade, a somewhat uneventful year from 1943-44, was led by the following class officers: Nonne Rippey, President; Dave Hentges, Vice President and Dorothy Taylor, Secretary-Treasurer. The operetta, "Trial by Jury," was given that year under the direction of David Bryant, music instructor. Mrs. Eyres, Miss Kuebler, Miss Wangberg, Mr. Hammond, Mrs. Congdon and Miss Banks were our instructors, and Mr. Adams was principal of the senior high.

Jun or year? Yes, that always means the Junior Class play, the prom and all the work that goes with it, and a better chance than ever before. That year we welcomed the first Miss contest since the war started. The class play was "Ah Men" under the direction of Mrs. Congdon. The theme of our prom was Dutchland with music by Don O'wer's Orchestra. Under the guidance of Mrs. Eyres, Miss Wangberg, Miss Kuebler, Coach Corey, Miss Cooper, Mr. Wichelmann, M. W. Mr. K... M. ... and M. ... we completed a very successful year. The class officers were Dave Hentges, President; Richard Schultz, Vice-President, and Bob Simmons, Secretary-Treasurer.

So far we have had our senior year of high school, the most important year of all. With a graduating class of 80 students, we have had a very successful year. As President of the High School, Vice President and Acting Secretary, Treasurer we have had a very successful year. In 1945 the school year we had added the students of the year, Kenneth Bock, Margaret Cunningham, and Karen, Vernon, Karen, Robert, and Thomas. Many of the students were from the following: Roger, Clarence, Thompson, and Mary. Among the many activities of the year were the basketball tournament in which we won a championship at the school. Also, the year was a very busy one, with the primary, the school day, and commencement.

And so we leave you after thirteen years in the Le Mars schools. Our class has had many an exciting experience in our school years, many of which we will look back upon in years to come, and be glad to remember.

## F.F.A.

The Le Mars F.F.A. chapter has a number of accomplishments to their credit. These accomplishments can be grouped into three divisions: special, in which just part of the F.F.A. boys participate; cooperative, where all the boys "pitch in"; and the project work which all boys must carry on as part of the credit work.

In the first group the main activity is the Plymouth County Swine Improvement Association whose aim is to introduce more improved boars and gilts into the community and hold an annual boar and gilt sale. The boys made 246 concrete hog troughs available to the farmers. The F.F.A. boys won 19 first, second, and championship prizes at the Plymouth County Agriculture Show. They also did well in the crops divisions by winning a number of first prizes on grain sheaves, threshed grain, and ear corn.

There were 31 soil-samples tested for nitrogen, phosphorous and lime content in the agriculture department as well as 1,247 samples of seed tested for germination and purity.

The F.F.A. Cooperative activity has been making available to the community a car load of certified seed potatoes, and 13,700 pounds of mineral were mixed and used by agriculture boys and local farmers. They also sold 72 bushels of seed corn.

The project work carried on by the boys is quite extensive. It consists of 13 boys having 27 baby beavers, 24 boys having 42 sows and litters, 4 boys having 789 chickens, and 3 boys having 32 acres of corn and soybeans.

The nine committees; leadership, cooperation, scholarship, earnings and savings, conduct of meetings, recreation, publicity, supervised practices, and community service, are all active in carrying the program to completion.

## Junior Play

The true to life story entitled "Herne Limited" was presented by the Junior Class on November 20 under the direction of Miss Dorothy Hart. The setting of this excellent production was in a typical American home with the parents away on vacation. The plot concerns the complications and the controversies of the children of the family who are somewhat unaccustomed to the management of a household.

Gwen Hayward is a college girl and the eldest of the family invited her roommate Joan for a visit. Gwen's brother Jim, a boy of high school age, succeeded in falling in love with a picture of Joan which later caused him much embarrassment. Complications continued as a man posing as an uncle of the children appeared only to turn out to be a thief. Elizabeth, the family brat, and Leroy, the junior detective, added humor to the plot.

## *Homecoming*

Attendants: Buster Hart; Jean Nussbaum; Dorothy Taylor, Queen; Betty Rohlfson; Ardythe Kloster

The annual Homecoming festivities of 1945 were lively and colorful. They were again held in connection with the Cherokee game, which Le Mars won, 26-0.

The afternoon started with a lively pep meeting with a humorous skit and, of course, the crowning of the Queen. The Queen of '45 was pretty Dorothy Taylor. She was crowned by Don Johnson, the representative of the football team, who was acting as the Duke.

Then came the gala parade with prizes being awarded to the three best floats. The parade was one of the best the school has ever had. The first prize float was the Junior class. The second prize was awarded to the Sophomores, and the G.A.A. won third prize.

The highlight of the evening was the game with Cherokee, which Le Mars won, thus retaining the Golden Horseshoe.

The game was held on Thursday because of a teachers' meeting on Friday. As a result the Alumni dance was held on Friday night. An unusually large turnout was there among the Alumni.

Thus, with the completion of the dance, the Homecoming activities were brought to a close. The Homecoming of '45 may be chalked up as another success.

## Instrumental Music

The Instrumental Department enjoyed a very busy year under the direction of Mrs. Joanne Bardill and Mr. Ward Bardill. Mr. Bardill came to J.H.S. early in the second semester, enabling Mrs. Bardill to focus her full attention on the vocal music.

Comprising the Instrumental Music Department are the marching band, concert band, orchestra, junior band, and several small ensembles.

Highlighting the department activities were the various group appearances in the school fall and spring concerts and their participation in the state-wide music contests.

Music was furnished by the bands during the home football and basketball games and during pep meetings and several parades. The smaller groups performed before some of the local organizations in special programs.

Rich Schultz represented the Music Department on the Student Council.

The Vocal Music was under the capable direction of Miss Janice Bardill, Miss Dorothy McBride and Mr. William Burdeau. Mr. Burdeau came to LHS from the military service early in the school year.

In the vocal department are the four large organizations, Mixed Chorus, Boys' Glee Club, Girls' Glee Club and Second Girls' Glee Club. These large groups sang for school concerts, school programs and sang in the year they sang for the music contest.

Representing the small vocal groups are the Girls' Trio, Boys' Quartette, Girls' Sextette, Mixed Quartette and the Mixed Octet. Of the small groups the Girls' Trio and the Girls' Sextette were the most active; the Boys' Quartette was also fairly active. The small groups sang for school concerts, programs at the school, programs of local clubs and organizations, and also sang in contest.

The more talented singers sang solos in a school concert and also sang for contest in which they made a fine showing.

# Season's Record

## L.H.S. 12—Estherville 13

In the first game of the season the football team lost to the Estherville Midgets in a close game which was decided by the conversions. The game was heightened by a pass interception by Estherville which set them up for a touchdown late in the second quarter. It was the first defeat in 15 games for the Bulldogs.

## L.H.S. 13—Yankton 0

Bouncing back from the stinging defeat that Estherville handed them, the Bulldogs beat a good Yankton team by the score of 13 to 0. They hit their stride as they reeled off gain after gain against the Bucks to completely take the scoring spotlight. The star of the game was Rich Westergard who led the ground gaining for the LeMars team.

## L.H.S. 26—Ida Grove 0

Hitting their stride to the fullest in the third game of the season, the football team beat a weaker and smaller eleven by an impressive margin when they journeyed to Ida Grove. Westergard ran wild as he proceeded to make three touchdowns during the first half, two of them on long runs. The fourth touchdown came as Sonny Wilhelm intercepted a pass and ran it for a touchdown.

## L.H.S. 7—Norfolk 6

Playing a tough and highly publicized team from Norfolk, Nebraska, the football team pulled another one out of the bag for the school. Their playing of a fine defensive game and showing of power on the offensive gave the Bulldogs their margin of victory. A major casualty occurred when Rich Westergard broke his leg late in the first half when a Norfolk man hit it with his helmet in a mad dive for a free ball.

## L.H.S. 26—Cherokee 0

The Bulldogs climaxed the Homecoming activities by wharoping Cherokee 26-0. Both teams took to the airways, but the receiving of Sonny Wilhelm spoiled the margin of victory as he netted one touchdown and set up another. Clement and Thompson scored the other markers.

## L.H.S. 12—Trinity 7

Starting in a powerful surge of drive, the Bulldogs drove the Crusaders down the field in the first eight plays of the game to score a touchdown. From then on it was nothing but a case of defending their lead until the game was over. The highlight of the game was a punt blocked by Trinity which set them for a touchdown. The loss of Westergard was noticeable in this game, the first one of the season that he had not played in.

## L.H.S. 12—Leeds 0

Playing an explosively fast team from Leeds, the Bulldogs showed a fine defense and while holding the Leeds team scoreless they scored two touchdowns themselves. Under the fine leadership of quarterback Clarence Thompson the team seemed to have their wits about them at all times and won the game with comparative ease.

## L.H.S. 6—Vermillion 20

In their second conference game of the season, the Bulldogs suffered a crushing 20-6 defeat to a powerful Vermillion eleven. The Bulldogs scored early in the first quarter but soon were overcome and went down to their second defeat in five years of Tri-State conference play.

## L.H.S. 15—Elk Point 0

The Bulldogs defeated a previously undefeated Elk Point eleven 15-0. Showing much line power, the LeMars teams scored on two long drives with Thompson going over, and on a kick blocked by Wolbers that bounced into the end zone for an automatic safety.

## L.H.S. 18—South Sioux 7

Winding up the season with a win proved to be an easy matter, as the Bulldogs drove their way to a 18 to 7 victory over the conference door mat, South Sioux City. The winning of this game made the seasons record stand at 8 wins and 2 losses.

# Tournament

The tallest high school team in the United States made history for the Le Mars school as they made a fine showing in the State Tournament held in Iowa City this year. Featuring the guarding of Bill Haas and Dick Carey and the high scoring of Eldon Clement who was the second high scorer of the tournament. Sonny Wilhelm was tied for third-place honors in scoring in the tournament, and Don Johnson who was outstanding on defense, also made his share of points.

In the historic last game of the tournament, the giants went down in a heartbreaking and amazing game to the Iowa City quintet. The game was a thrilling one most of the way. Le Mars led the scoring in the first quarter, and it ended 14 to 13 in the Bulldogs favor. At the end of the half the Bulldogs were still ahead by one point 21 to 20.

In the third quarter the Iowa City five outscored the Bulldogs to pull into the lead by the score of 32 to 30. In the final stanza the Le Mars team started a very fine rally which pulled them into the lead, 40 to 35. That was the score with only one minute to go in the game. Then the Iowa City team got "hot" and dumped in 8 points in 45 seconds to lead by one point. Everyone in the crowd of 16,000 people who saw the game was dumbfounded at this, and many sat there after the game was over in awe and wonderment.

The following is a short resume of all the tournament games that the Bulldogs played in order to gain their second-place rating.

## SECTIONAL

The start in tournament play against the west St. Marys team from Remsen, was the first hurdle to be covered before the team could advance on its quest for the state championship. The obstacle was small.

The game was won by Le Mars by the score of 38 points. The high scorer was Bill Haas with 13 points.

## L.H.S. 50—Orange City 24

## SUB-STATE

## L.H.S. 42—Fort Dodge 27

The first half was a battle of close proportions, which was ended with only a two point margin for the Le Mars team. The margin was mainly that of free throws as the Fort Dodge team played a little roughly. The high scorer of the game was Sonny Wilhelm with 17 points.

## L.H.S. 55—Estherville 22

In the final game of the sub-state tournament for the Bulldogs, they trounced the Bulldogs of Estherville by the overwhelming score of 55 to 22. The first game of the state tournament for the Bulldogs was played against the Bulldogs of Levermore. The game was won by Le Mars by the score of 43 to 27. The high scorer was Sonny Wilhelm with 18 points.

## L.H.S. 46—Marshalltown 37

### TRACK TEAM

The track team of 1945 had the most successful season in the school's history by winning fifth place in the team championships division at the state meet, held in Ames last May.

Composed mainly of sprinters, the team was essentially a relay of four very fast boys. These four were Richard Westergard, Arnold Utesch, Edwin Guntren and Bill Pew. These boys set all-time school records in the 440 relay, which they ran in 45.2 seconds, and the 880 relay, which they ran in 1:32.8 seconds.

These four boys won their fifth place in the state meet in the following manner: Third place in the 100-yard dash, second place in the 220-yard dash, both by Bill Pew, and second place in the 880-yard relay.

Other school records which were set during the season were: The 100-yard dash in 10.1 by Bill Pew; the broad jump at 20 feet 2 inches by Bill Pew, and the mile run in 4:54.2 by Art Fenske.

The four boys on the relay are all back this year, and, as this annual is printed before the track season starts, we can only say that these boys should do very well and we hope they will.

Other returning letter-winners who will bolster the teams' chances this year are: Clarence Thompson, mile relay; Dean Rowe, medley relay; Harold Wiebke, shot put; Eldon Clement, mile relay and open 440; Don Johnson, discus, and Bill Haas, football throw.

## TOWN G. A. A.

The Girls Athletic Association, headed by Mrs. Splinter, has been carrying on its usual well-rounded program of the year. The organization is open to any girl who wishes to participate in girls' athletics.

The last two years it has been divided into two groups, rural and town. The rural group holds its meetings during the noon hour, thus making it possible for more to compete, and the town group holds its meetings at 4 o'clock. There are about seventy-five girls participating in all the activities.

Among the competitive activities are basketball, softball and volleyball. Gold trophies are awarded the winners.

Barbara Wick is head of the town group, and Ardythe Kloster of the rural group.
